

*Unique flooring solutions
for high traffic areas.*

A Higher Standard

Cyrus' range of products are designed to exceed the standards of the industry. The circumstances of our clients are unique to their situation and we resolve challenges, one at a time to ensure complete customer satisfaction – we guarantee it!

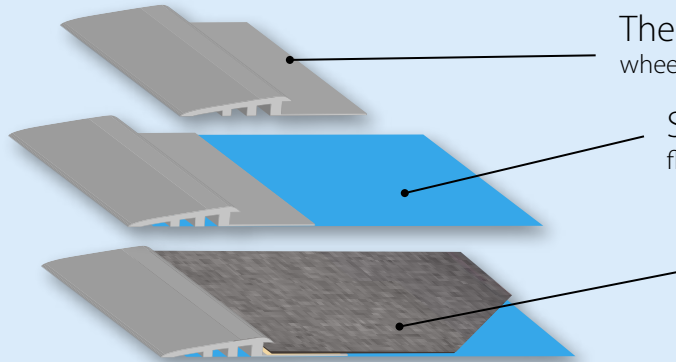

**CUSTOM
LOGOS**

Cyrus Systems knows how important it is to create a good impression of your business. A world apart from the standard and ordinary surface-printed logos, Cyrus' laser technology creates logos that literally pop out of the carpet. Don't be fooled by painted on or dyed on logos, We laser cut and heat weld your logo right into your custom designed Cyrus System. There are many different colors to ensure the integrity of your logo is captured. We guarantee it!

THE CYRUS SYSTEM

The Cyrus Edge™ – Meets ADA standard requirements for safety and wheelchair accessibility. Provides for smooth and easy wheel movement.

Stronghold™ – Patented by Cyrus. Stronghold™ grips hard surface floors to ensure the systems do not move; meeting ADA requirements.

Vinyl Backed Entrance Carpet – Only the finest is used to ensure aesthetics, functionality and dimensional stability; the components are heat welded and guaranteed not to separate.

BENEFITS

REDUCES MAINTENANCE COSTS

Monofilament acts as a scraper, nylon absorbs water and the unique design allows particulate to fall to the base of the fibers for ease in vacuuming and cleaning. 80% of dirt and water stays at the entrance instead of being tracked throughout your facility.

SAFETY

Our Cyrus edging and non-slip Stronghold™ eliminates carpet movement, curling and guards against slips, falls and risk of litigation. 100% ADA compliant.

FLEXIBLE INSTALLATION

Can be as permanent as your facility requires. Some of our clients use our entrance systems seasonally; others leave the systems down permanently.

PATENTED CONSTRUCTION

Years of research and numerous proprietary products rate the best in the industry.

WEARABILITY

Many applications are down for 7 – 10 years. Cyrus guarantees construction for 5 years; the best in the industry.

CUSTOM MADE

Any size, shape, color combination or logo is possible. Designed to fit your buildings traffic pattern and aesthetics.
